WRITERS' BUILDINGS
CALCUTTA

NO.HAD/ 1008(200)

Cal, the 8/9/86

C I R C U L A R

It has been come to the notice of the Directorate of Health Services that a good number of Viscera of old cases are sent to the Director, Forensic Science Laboratory, Government of West Bengal, 37/1/2, Belgachia Road, Calcutta-37 for Chemical Examination in spite of repeated request by the Laboratory not send any case which is more than six month old. It may be pointed out in that connection that positive results are not found in such old cases of more than six months and the Chemical Examination of these cases become fruitless.

It is now requested and urged upon all the Superintendents of Hospitals not to send the Viscera of very old cases (more than six months) for examination to Forensic Science Laboratory.
